Consultation and information on the recruitment and integration of skilled workers from abroad

The team from the Welcome Center offers your company support and knowledge concerning skilled workers from abroad. We provide up-to-date information, offer personalised advice and can support you in a concrete manner – for individual workers or your Human Resources department as a whole:

- Advice and information on the recruitment and integration of skilled workers from abroad
- Bundling of demand for qualification opportunities
- Database of institutions, advisory bodies, service providers
- Networking and exchange of experience

Support for companies hoping to recruit skilled workers from abroad. Sponsored by the Lower Saxony government from the European Social Fund.

Co-financing partner and project-executing organization:

Co-financing partners are:

- Bundesagentur für Arbeit
- IHK Braunschweig
- Stadt Braunschweig

The region’s Welcome Center with branches in Braunschweig and Wolfsburg is an initiative transcending city and district boundaries. It supports the regional economy by providing personalised advice and information regarding the recruitment and integration of skilled workers from abroad. The aim is to strengthen the culture of welcome in the region, and to network existing advisory schemes, in order to help and unburden companies. In this way, we can increase the attractiveness of the region and the sustainable integration and retention of skilled workers from abroad.

We cordially invite you to take advantage of the Welcome Center’s services for your business, and to come along to Welcome Center events to meet up and network with like-minded people.

Best regards

Oliver Syring
Managing Director of Allianz für die Region GmbH
